To the Mayor of New York

D Sir

The Brig Jones left our Port yesterday having on board as passengers One William Neuds and four or five Negroes - Information reached our City on his arrival that the negroes who accompanied him have been Kidnapped from the Town of Hamburg -

He remained in our City but a few hours and as soon as the fact of his departure was ascertained measures were instantly taken to arrest him - A Pilot Boat was chartered for the purpose and is now cruising in search of him

It would be well on his arrival into your City to arrest and examine him and the strong probability is that in a few days we shall be possessed of sufficient evidence to demand him of the authorities of your State as a fugitive from Justice

Respectfully
Thos W. Brown
Chairman of the S Ca Association
